2018-2019 Season  
 The Junior racing program is designed to be a fun and educational ski improvement program for skiers 6 - 16 years of age. Slalom racing is a discipline sport that will improve an individual's skiing ability tremendously in one season. This program is also designed to educate the skier on the "how's and why's" of racing. But most of all, the program allows juniors to have fun and meet other skiers.

Bittersweet will host one race (in lieu of practice) as schedules permit.

For the Juniors who want to compete with other areas, we will attend during the year as schedules permit.

## BITTERSWEET SKI SCHOOL JUNIOR RACING PROGRAM REGISTRATION & RELEASE
